TOMORROW'S GENERATION TODAY

# NISBETS, Bristol

Empower Energy are delighted to announce one of our largest metal roof top solar installations in Nisbets, which is the UK's largest supplier of catering equipment. Nisbets commissioned Empower Energy to design and install a 500KWp solar system on Nisbets Fourth Way and Nisbets Access Unit 8.

Nisbets & Empower Energy have been working closely over several months to further reduce their carbon footprint and save even more on their energy consumption.
