

COMMERCIAL CASE STUDY:
**Kingsbridge Estates
Wight Salads**

TOMORROW'S GENERATION TODAY

Wight Salads Group, West Sussex

Empower Energy are delighted to announce one of our metal roof top solar installation on Wight Salads Group, which is the UK's largest supplier of tomatoes. Kingsbridge Estates commissioned Empower Energy to design and install a 250KWp solar system. Since the solar installation was completed the building's energy costs has been reduced and the solar system is helping to reduce their carbon footprint.
